Hi Susan...I have begun to work on things for the MidYear... but 2020 complaints are starting to roll in (We have 12 so far!) and I keep getting pulled in a few directions with other issues.

Let's set a date at the end of the month... **May 27th** for the review and I'll buckle down this week and next and get the workplan to you before the call.

Would that be ok?

Just checking to see how your mid-year reports are coming along. When would you like to schedule a call?
